HONORARY DEGREE

DOCTOR OF LAWS

FRANCIS MOFFETT HIPPI

FRANCIS MOFFETT HIPPI, chairman of the board of directors of The Liberty Corporation, has played a pivotal role in the business and cultural growth of South Carolina for more than four decades. In business, he has been instrumental in making The Liberty Corporation one of the largest financial institutions in the Southeast and building the company's largest subsidiary, Liberty Life Insurance Company, to a position among the five percent largest life insurance companies in the Nation. When Mr. Hipp began working at The Liberty Life Insurance Company as a teenager, operating a multigraph machine in the afternoons and summers, he was the firm's 13th employee. Today The Liberty Corporation has assets of more than \$1 billion and employs more than 1,700 throughout the South. After attending The Citadel, Mr. Hipp transferred to Furman University where he received a degree in economics in 1933. He then began full-time work at The Liberty Life Insurance Company. Ten years later he assumed the title of president following the death of his father, W. Frank Hipp, founder of the company. He continued as chief executive until 1977, when he retired from day-to-day responsibilities and assumed his present role as chairman. He also is a member of the board of The South Carolina National Corporation, Carolina Energies, Inc., United Fidelity Life Insurance Company, and Cosmos Broadcasting Corporation. All these business activities have not precluded a deep commitment to the civic, cultural, and educational activities in his community and state. He served as chairman of the South Carolina State Development Board for four years and was a member of the board for another three. He is presently a member of the National Board of Governors of the Institute of Living and the Energy Research Institute, and is chairman of the Palmetto Foundation. He is a member of the Palmetto Business Forum and a trustee of the YMCA Endowment Corporation in Greenville. Last month the South Carolina Chamber of Commerce honored him as Businessman of the Year. He has served in a variety of positions in the Greenville Hospital System, the Greenville County Foundation, and the Greenville and South Carolina Chambers of Commerce. His involvement with higher education has led to his guidance and support of many colleges. He is chairman and trustee of the South Carolina Foundation of Independent Colleges; a trustee of Benedict College, Queens College, and the University of South Carolina Business School Partnership Foundation. He is also president of The Citadel Development Foundation, director of the Advisory Council of Furman University, and a member of the National Advisory Council of the University of South Carolina. In recognition of his service to the business, civic, and educational worlds, he has received honorary Doctor of Law degrees from Furman University, the University of South Carolina, and The Citadel.

CLEMSON ALMA MATER

A. C. Corcoran, '19

Where the Blue Ridge yawns its greatness,
Where the Tigers play;
Here the sons of dear old Clemson
Reign supreme alway.

Chorus

Dear old Clemson, we will triumph
And with all our might,
That the Tiger's road may echo
O'er the mountain height.

We will dream of great conquests,
For our past is grand,
And her sons have fought and conquered
Every foreign land.

Where the mountains smile in grandeur
O'er the hill and dale,
Here the Tiger lair is nestling
Swept by storm and gale.

We are brothers strong in manhood,
For we work and strive;
And our alma mater reigneth
Ever in our lives.
