Graduation Exercises

August 12, 2006

Clemson, South Carolina

Congratulatory Applause

You are requested to refrain from loud expressions of pleasure for individual graduates. Such expressions frequently detract from the recognition due the next graduate in line. Your cooperation is respectfully requested.

GRADUATION

Saturday, August 12, 2006

11:00 A.M.

Littlejohn Coliseum

ORDER OF CEREMONIES

(Please remain standing for the processional, posting of colors, and invocation.)

Posting of Colors

Clemson Senior Platoon

LeRoy Doar, Commander

Louis Bates	Jim Duffy
Bill Bellamy	Tom Mann
Carl Bishop	

Invocation

Helen Marcus Kirkland, Student Representative

Introduction of Trustees

President James F Barker

Recognition of the Deans of the Colleges

Vice President for Academic Affairs and Provost

Doris R Helms

Conferring of Honorary Degree

President James F Barker

Reflections

Phyllis S Buchanan

Conferring of Degrees and Delivery of Diplomas

President James F Barker

Recognition and Presentation of Awards

Board of Visitors Graduate Teaching Assistant Award

Faculty Scholarship Award

Mr. Frank Breazeale, Organist

Jenee Davis, Soloist

Dr. Barbara N Logan, University Marshal

HISTORICAL STATEMENT

Clemson University is named for Thomas Green Clemson (1807-1888), who left the bulk of his estate to the State of South Carolina for the founding of the institution.

Thomas Clemson was born in Philadelphia in 1807 and educated at the Royal School of Mines in Paris (1828-1832). His early profession was that of a mining engineer; however, circumstances diverted his interests into politics and the life of a southern planter, and he soon became an enthusiastic advocate of scientific agriculture. He had a career as a diplomat (charge d'affaires to Belgium, 1844-1852) and served as the first Superintendent of Agricultural Affairs in Washington (1860). As a scientist he published numerous articles in the fields of mining, chemistry and agriculture. His varied activities included his assistance in the founding of the Maryland Agricultural College, his support of the Morrill Act, his leadership in South Carolina after the Civil War, and his part in founding Clemson University.

Thomas Clemson was the son-in-law of South Carolina's John C Calhoun, a political figure of national importance during the first half of the nineteenth century. Mr. Calhoun's home, Fort Hill, is preserved on the Clemson Campus as a national shrine.

The academic program at Clemson College began in 1893 with an enrollment of 446. The first "college prospectus" announced only two four-year curricula, supplemented by two two-year preparatory courses. Today the University has six major academic units. These are the College of Agriculture, Forestry, and Life Sciences, the College of Architecture, Arts, and Humanities, the College of Business and Behavioral Science, the College of Engineering and Science, the College of Health, Education, and Human Development, and the Graduate School.

Clemson University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097; telephone number 404-679-4501) to award the Bachelor's, Master's, Education Specialist, and Doctor's degrees. Various curricula are accredited by the AACSB International (Association to Advance Collegiate Schools of Business), Accreditation Board for Engineering and Technology, American Council for Construction Education, American Dietetic Association, American Society of Landscape Architects, Computing Science Accreditation Board, Council for Accreditation of Counseling and Related Education Programs (CACREP), National Architectural Accrediting Board, National Association of Schools of Art and Design, National Council for Accreditation of Teacher Education, National League for Nursing Accrediting Commission, NRPA/AALR Council on Accreditation, Planning Accreditation Board, and Society of American Foresters.

Clemson is a land-grant institution. As such, it is engaged not only in its primary academic program, but does extensive research at the main campus and at five agricultural experiment stations located in the State. The University is also heavily committed to a varied program of public service, including the work of agricultural extension which has professional personnel located in each of the State's counties.

BOARD OF TRUSTEES

Leon J Hendrix, Jr., Chairman	Kiawah Island

Terry Don Phillips	Director of Athletics
Christian E G Prizrembel	Vice President for Research and Economic Development
Clayton D Steadman	General Counsel

HONORARY DEGREE
PHYLLIS S BUCHANAN
DOCTOR OF HUMANITIES

Phyllis S Buchanan has not only demonstrated her personal devotion to educational quality and innovation for students of all ages; she has recruited others to take up the cause as well. She continues to inspire her collaborators in this important effort.

Buchanan earned both her Bachelor of Science and Master of Education degrees from Widener University. Her current position as manager of the DuPont Office of Education is backed by 34 years with the company and more than 25 years of experience with its Corporate Education Program.

She has overseen corporate support for science education and leading-edge research at the university level, identified and contributed to the development of national programs that promote young people's interest in science and technology, and repositioned significant resources to support K-12 science and mathematics education reform.

As manager of this ambitious agenda, she weaves together an extensive network of alliances and partners across all educational levels and engages DuPont as a catalyst for reform and improvement. Her dream is to educate students today for a more knowledgeable work force for tomorrow.

For that reason, Buchanan has become an ambassador for science learning. She is committed to transforming the science, technology, engineering and mathematics disciplines from textbook-based education to engaged and active learning. From innovation to experimentation to implementation, she helped coordinate a state-level transition to a hands-on, inquiry-centered program in Delaware. This program has helped close the achievement gap in Delaware and will serve as a model for other states.

Buchanan's leadership fuels movements to empower young people from all backgrounds, and that leadership has helped produce another highly successful program here at Clemson. The Call Me MISTER® program has garnered national attention, and Buchanan was a key member in its development. The program is aimed at finding and promoting African American males to be elementary school teachers in South Carolina. It, too, is being considered as a model for similar programs in other states, and Buchanan's involvement is testament to her role as a groundbreaker.

Buchanan is a member of several boards, including the Triangle Coalition for Science and Technology Education Board of Directors, the FIRST Philadelphia Regional Advisory Board (Drexel University), the National Science Resources Center's National LASER Advisory Board and the Science Olympiad National Advisory Board.

She also works collaboratively with teachers and educators in a number of states, South Carolina among them, and actively encourages all DuPont employees to contribute expertise and resources to improve science and mathematics education.

Buchanan's dedication to the welfare of students is not limited to the office or boardroom; she mentors more than 20 students in the Pioneer Student Leadership Academy. Co-founder of this academy, she works one-on-one with students to ensure that they are prepared for the 21st century work force.

Clemson University is honored to acknowledge the eminent achievements of this champion for education. It is a distinct privilege to present Phyllis S Buchanan with the honorary degree, Doctor of Humanities.

THE ACADEMIC PROCESSION

The Academic procession is composed of the faculty, staff, officers, trustees, and honored guests of the University. Faculty enter by college and each college is preceded by its marshal, a senior faculty member, with the college baton, described under University Regalia.

The college banners are placed on the stage. Each banner is a combination of colors that declare the disciplines taught in that college. These colors, which were established by the American Council on Education, are as follows:

College	Colors	Discipline
Agriculture, Forestry, and Life Sciences	Maize Brown Golden Yellow	Agriculture Forestry Life Sciences
Architecture, Arts, and Humanities	Lilac Brown White Dark Blue	Architecture Arts Humanities Philosophy
Business and Behavioral Science	Drab Copper Peacock Blue Cream	Accounting and Business Economics Public Administration Social Sciences
Engineering and Science	Orange Golden Yellow	Engineering Science
Health, Education, and Human Development	Light Blue Apricot Cream	Education Nursing Social Sciences
Library	Lemon Yellow	Library
Staff	Purple and Orange	Academic Support
Faculty Senate	Purple and White	Instruction

Collegiate faculty follow their marshal in order of academic rank wearing academic costumes of medieval origin. Those who have received their degrees from institutions outside the United States wear costumes specified by the awarding institutions.

The academic costumes of faculty whose degrees are from United States' institutions are specified by a uniform code maintained by the American Council on Education. Caps are black and are usually mortar boards with tassels. Doctors of Philosophy wear gold tassels usually of metallic thread; other degrees wear black or discipline colors.

The bachelor's gown is simple and black with long, pointed sleeves. Masters' gowns, also black, are longer than bachelors. Older gowns have sleeves that terminate at the elbow while those since 1960 have sleeves extended to the wrist. Doctors' gowns are full, with bell-like sleeves. The front is marked by velvet panels and the sleeves are marked by three velvet bars. While most gowns are black with black velvet, one variation is to replace black velvet with velvet in the discipline color. A second variation is a colored gown usually of the university's colors.

All hoods specify the level of degree, the type of discipline studied and the awarding institution. First, degree level is signified by the size of the hood with bachelors' smallest, masters' larger, and doctors' quite large and of a different shape. Clemson does not award hoods to bachelors. The width of the velvet trim also conveys the degree. Secondly, the degree is indicated by the color of the trim edging the hood to form the throat over the gown. The most frequently seen is dark blue, which designates the doctor of philosophy (Ph.D.) degree. Finally, the color of the hood's lining specifies the awarding institution. The colors are displayed in combinations that are drawn from heraldry. Notice that the Clemson University hood is lined with purple through which is an orange chevron (a "V"). Although many combinations are duplicated by dozens of institutions, Clemson is presently the only institution with that registered combination.

The officers, trustees, and honored guests wear academic, ecclesiastical, or military regalia as set forth by their professions with the President of Clemson University wearing a purple gown with four velvet bars piped in gold and the University seal embroidered on the panels. The Trustees wear a similar gown with three velvet bars piped in gold for doctorates and an embroidered palmetto tree on each sleeve for those who do not hold doctorates. Hoods are either from Clemson or from the awarding school. They are preceded by the University Marshal. Clad in a gown of office in gold and purple, the marshal wears no hood and bears the University mace. At the ceremony's close, the faculty do not exit as a part of the recessional but are dismissed, along with students and guests, when the marshal leaves the coliseum.

THE UNIVERSITY REGALIA

The University mace is the symbolic representation of the whole of Clemson University and must be present at any convocation where the University, through its delegated members, is acting officially. At any official convocation such as commencement, the University Marshal, carrying the mace, precedes the President into the assembly. The mace rests before the President's chair or speaker's stand throughout the ceremony, and its removal from the assembly at the close of a convocation is symbolic of the official withdrawal of the University and, thus, the close of the proceedings.

The decorative design of Clemson's mace is derived from the ceremonial maces carried by heads of state and church in the Middle Ages. Its basic clublike shape, however, is much more ancient, probably going back to man's prehistory. It is made of walnut wood and silver, with the seal of the University in gold and the University colors represented by insets of cornelian (orange) and amethyst (purple). Amethyst is also the state stone of South Carolina.

The Presidential chain and seal is symbolic of the authority vested in the office of president by the governing body of the University. Only the University President may wear it, and while wearing it he speaks for the whole body of the institution. Clemson's chain and seal are made of silver and gold, and cornelian and amethyst.

The batons of the college marshals also descend from medieval "staffs of office" which were carried by the senior members of departments of state or church. They display the seal of the University and the symbolic color of the discipline to which the college belongs. Clemson's batons are made of walnut wood and silver with the various disciplines inset with enamel.

The University regalia were designed and executed by Mr. Robert Ebendorf. Mr. Ebendorf is twice winner of the Tiffany Award and one of the most acclaimed goldsmiths of our era. The enamel plaques for the batons were executed by the late Professor Marshall C. Bell, and the lapidary work was executed by the late Mr. C. C. Wilson of Clemson University.

CANDIDATES FOR THE DOCTOR'S DEGREES

J BRUCE RAFERT, Dean, Graduate School

COLLEGE OF AGRICULTURE, FORESTRY, AND LIFE SCIENCES

DOCTOR OF PHILOSOPHY

Forest Resources

Robert Austin Jenkins, Jr. _____ Greenville, SC
B.S., The Citadel; M.S., Clemson University

Science Teaching

John Philip Trotter _____ Easley, SC

Technology and Human Resource Development

Steven Jackson _____ Columbia, SC William Abram Versprille _____ Hanahan, SC

*Cum laude: A grade point ratio of 3.40 to 3.69

**Magna cum laude: A grade point ratio of 3.70 to 3.89

***Summa cum laude: A grade point ratio of 3.90 to 4.00

[†]Calhoun Honors College: The graduates so designated in the printed graduation program have completed an enriched program of study through the Calhoun Honors College. To earn this distinction, students must maintain an overall grade-point ratio of 3.40 or higher and complete the requirements of General Honors and/or Departmental Honors. Students who have earned Departmental Honors appear in the line of march wearing the Calhoun Honors College Medallion on an orange and purple ribbon. This medallion is made possible by an endowment established by Mrs. Katherine Inabinet Vickery of Columbia, South Carolina, to honor the memory of her husband and Clemson graduate, the late B. C. Inabinet.

Students wearing the white stoles over their gowns are graduating with a 3.00 or better grade-point average. Those who are members of University recognized honorary societies may have the names of those societies embroidered on one side of the stole with the University seal embroidered on the other side.

AWARDS

BOARD OF VISITORS GRADUATE TEACHING ASSISTANT AWARD

The Graduate Teaching Assistant Award was established to recognize the valuable contributions that graduate teaching assistants make to the education of Clemson undergraduate students. Two individuals are selected each year from nominations by students and endorsed by University faculty. A bronze medallion is presented to each recipient and the award carries with it a stipend of five hundred dollars.

BOARD OF VISITORS GRADUATE TEACHING ASSISTANT AWARDS FOR 2006

TERRI LANE FOSTER BRUCE
Atlanta, GA

TIMOTHY B FLOWERS
Hampton, VA

FACULTY SCHOLARSHIP AWARD

Established at Clemson University in 1959, this award is made annually by the faculty of Clemson University to the member of the graduating class who has the highest scholastic achievement. All graduates who have completed the requirements for the bachelor's degree since the last commencement exercise and who have completed at Clemson at least 75 percent of the work required for graduation shall be eligible for consideration.

RECIPIENT OF THE FACULTY SCHOLARSHIP AWARD

NICHOLAS RYAN SMITH
Westminster, SC

CLEMSON ALMA MATER

Farmer and McGarity/arr. Freeman

Where the Blue Ridge yawns its greatness,
Where the Tigers play;

Here the sons of dear old Clemson
Reign supreme alway.

Chorus

Dear old Clemson, we will triumph
And with all our might,

That the Tiger's roar may echo
O'er the mountain height.

We will dream of greater conquests,
For our past is grand,

And her sons have fought and conquered
Every foreign land.

Where the mountains smile in grandeur
O'er the hill and dale.

Here the Tiger lair is nestling
Swept by storm and gale.

We are brothers strong in manhood,
For we work and strive;

And our alma mater reigneth
Ever in our lives.

Candidates appearing in this program are not certified graduates. Likewise, academic honors designations are based upon performance prior to final grades. Both certification of graduation and honors designations must come from the Registrar of the University.

* * * * *

First Aid—A First Aid Station is located at the North entrance.

Evacuation System—Littlejohn Coliseum is equipped with a fire alarm evacuation system. In the event of activation, as noted by sustained horns and strobe lights, please proceed to the closest available exit. Remain outside the building until fire officials deem the building safe to re-enter.

No Smoking—Smoking is prohibited in Littlejohn Coliseum.
