Graduation Exercises

December 16, 1997

Clemson, South Carolina

Congratulatory Applause

You are requested to refrain from loud expressions of pleasure for individual graduates. Such expressions frequently detract from the recognition due the next graduate in line. Your cooperation is respectfully requested.

Graduation

Tuesday, December 16, 1997

11:00 a.m.

Littlejohn Coliseum

ORDER OF CEREMONIES

(Audience will please stand as faculty and candidates march in and remain standing for the invocation.)

Invocation

Cassie Jane Adams, Student Representative

Introduction of Trustees

President Constantine W. Curris

Conferring of Honorary Degrees

President Constantine W. Curris

Recognition of the Deans of the Colleges

Vice President for Academic Affairs and Provost
Steffen H. Rogers

Conferring of Degrees and Delivery of Diplomas

President Constantine W. Curris

Recognition and Presentation of Awards

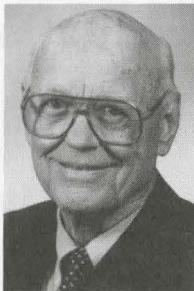

Class of '39 Award for Excellence

Aurora Brass Quintet

Frank W. Breazeale, Organist

Kevin Davidson, Soloist

Dr. Thomas Ernest Wooten, University Marshal

HONORARY DEGREE
WILLIAM WALTER DUKES, JR.
DOCTOR OF LAWS

William Walter Dukes, Jr. is known to friends and family as one of the most unselfish, honorable and truly good people you could hope to find. He is also known by many as a savvy businessman, an individual deeply interested in the well-being of our communities and the state of South Carolina, and an ardent supporter of Clemson.

Mr. Dukes began his career at the Charleston Naval Yard after graduating from Clemson at the top of his engineering class in 1938 with a B.S. in Electrical Engineering. One year later, he began work at General Electric as an engineer, where he worked for two years until World War II.

In July 1941, Mr. Dukes was called to active duty in the U.S. Army. He served for five years, earning the Commendation Medal for Outstanding Service. He remained in the active reserves for 22 years before retiring as a Colonel.

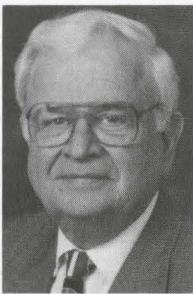

After World War II, he co-founded Applied Engineering Company, Inc. in Orangeburg. The company became a leader in designing and manufacturing peak shaving plants for natural gas utilities as well as modular process systems for the chemical, petroleum and pharmaceutical industries.

Mr. Dukes remained as Vice President and President after the company was acquired by Daniel Construction in 1969 until retiring from Fluor Daniel in 1983. His professional associations include membership in the American Gas Association, National Society of Professional Engineers, American Society of Mechanical Engineers, American Institute of Electrical and Electronic Engineers, and South Carolina Forestry Association.

An example of service and loyalty, Mr. Dukes has contributed to organizations on national, regional and community levels. He has served on a number of boards including the First Federal S&L of Orangeburg, First Savings Bank of Greenville, American Red Cross, United Way of Orangeburg, Orangeburg Technical College Foundation, Elk's Club, Still Hopes Home for the Aging, Diocese of South Carolina and Orangeburg's Episcopal Church of the Redeemer. An ardent proponent of education, he has also served on the Board of Trustees of Voorhees College and St. Mary's College.

Throughout his successful career, Mr. Dukes' devotion to Clemson University has been unwavering. Following retirement, he and his wife, Peggy, have freely given their time and energy to the University. Mr. Dukes received the Alumni Distinguished Service Award in 1979 and served as President of the University Foundation in 1985-1986. Today he continues this service as an Honorary Director of the Foundation. Also a generous Clemson Fund supporter, Mr. Dukes has established the William W. Dukes, Jr. Endowment for Engineering Excellence and is a member of the Thomas Green Clemson Society.

We hold Bill Dukes and his lifetime achievements in the highest esteem. In recognition of his contributions to engineering and his community, and his remarkable life of service to Clemson University, it is a distinct privilege to honor him with the presentation of the honorary degree, Doctor of Laws.

HONORARY DEGREE
LAURIE COKE LAWSON
DOCTOR OF LAWS

A man whose exceptional contributions to farming and agriculture earn national recognition, and a true Southern gentleman known for his honest nature and concern for others, Laurie Coke Lawson is a faithful son of Clemson.

Mr. Lawson came to Clemson from St. John's High School in Darlington. An agronomy major, he graduated with a B.S. in 1953. Following graduation, Mr. Lawson served as a Division Ammunition Officer for the 69th Infantry Division as a First Lieutenant.

Since his return to Darlington in 1955, Mr. Lawson has been actively engaged in farming. With two of his sons, he owns and operates a diversified farming operation that produces crops including tobacco, cotton, corn, soybeans, sweet potatoes, wheat and timber. Called Lawson Farms, this family farm was established in 1834 by his great-grandfather.

Mr. Lawson has served as State Executive Director for the Farm Service Agency, U.S. Department of Agriculture since 1993. From 1979 to 1986 he was appointed by Governor Richard W. Riley to serve as Chairman of the S.C. Agriculture Commission.

Among Mr. Lawson's professional honors and awards, in 1982 he was named as one of 10 outstanding farmers in the United States by American Cyanamid Corporation. He received the Award of Recognition for his contribution to South Carolina agriculture in 1983, *Progressive Farmer* Man of the Year Award in 1985 and S.C. Farm Bureau's Distinguished Service Award in 1986. In 1987 Mr. Lawson was recognized further for his outstanding contributions to agriculture when he was awarded the Order of the Palmetto, South Carolina's highest honor, by Governor Riley.

Service to his church and to his community has always been a priority for Mr. Lawson. He is actively involved with Trinity United Methodist Church in Darlington, where he is Chairman of the Board of Trustees, Chairman of the Building Committee and Sunday School teacher. He has served as Chairman of the Epworth Children's Home Board of Trustees and is now serving a new eight-year term on this board. Service on a number of local and regional leadership boards includes the S.C. Farm Bureau Federation, Darlington County Farm Bureau, Kiwanis Club, NationsBank Advisory Board of Darlington and Darlington County School Board.

Clemson University has remained a focus of Mr. Lawson's support and devotion. He was recognized by the S.C. County Agents Association for his outstanding contribution to agriculture and Clemson University Extension Service in 1982. In 1983 he was made an alumnus member of Clemson's Gamma Sigma Delta, the international honor society of agriculture, and was given a distinguished service award. He served as Clemson's delegate to the Commission on Agricultural Research, Extension and Teaching from 1979 to 1993. A member of the Board of Directors of Clemson Agriculture Alumni since 1990, he served as President in 1996 and 1997. The Clemson Board of Visitors has benefited from his insight and experience since 1991.

He is married to the former Elizabeth Banks Pearce, his wife of over 44 years. They have four children, Marvin, Elizabeth, William and James, and eight grandchildren.

We are all extremely proud of the significant contributions Mr. Lawson has made to the field of agriculture, the state of South Carolina, and Clemson University. We hold Laurie Lawson and his achievements in the highest esteem, and it is a distinct privilege to honor him with the presentation of the honorary degree, Doctor of Laws.

BOARD OF TRUSTEES

Lawrence M. Gressette, Jr., Chairman	Columbia
Joseph D. Swann, Vice Chairman	Greenville

Steffen H. Rogers	Vice President for Academic Affairs and Provost
John Kelly	Vice President for Public Service and Agriculture
Deborah DuBose	Interim Vice President for University Advancement
Almeda Jacks	Vice President for Student Affairs
Scott Ludlow	Chief Financial Officer
David Stalnaker	Executive Director of the Commission on the Future of Clemson and Assistant to the President

The Academic Procession

The Academic procession is composed of the faculty, staff, officers, trustees, and honored guests of the University. Faculty enter by college and each college is preceded by its marshal, a senior faculty member, with the college baton, described under University Regalia.

Following the banner bearers are the college marshals and faculty. Each banner is a combination of colors that declare the disciplines taught in that college. These colors, which were established by the American Council on Education, are as follows:

College	Colors	Discipline
Agriculture, Forestry and Life Sciences	Maize Brown Golden Yellow	Agriculture Forestry Life Sciences
Architecture, Arts and Humanities	Lilac Brown White Dark Blue	Architecture Arts Humanities Philosophy
Business and Public Affairs	Drab Copper Peacock Blue Cream	Accounting and Business Economics Public Administration Social Sciences
Engineering and Science	Orange Golden Yellow	Engineering Science
Health, Education and Human Development	Light Blue Apricot Cream	Education Nursing Social Sciences
Library	Lemon Yellow	Library
Staff	Purple and Orange	Academic Support

Collegiate faculty follow their banner in order of academic rank wearing academic costumes of medieval origin. Those who have received their degrees from institutions outside the United States wear costumes specified by the awarding institutions.

The academic costumes of faculty whose degrees are from United States' institutions are specified by a uniform code maintained by the American Council on Education. Caps are black and are usually mortar boards with tassels. Doctors of Philosophy wear gold tassels usually of metallic thread; other degrees wear black or discipline colors.

The bachelor's gown is simple and black with long, pointed sleeves. Masters' gowns, also black, are longer than bachelors. Older gowns have sleeves that terminate at the elbow while those since 1960 have sleeves extended to the wrist. Doctors' gowns are full, with bell-like sleeves. The front is marked by velvet panels and the sleeves are marked by three velvet bars. While most gowns are black with black velvet, one variation is to replace black velvet with velvet in the discipline color. A second variation is a colored gown usually of the university's colors.

All hoods specify the level of degree, the type of discipline studied and the awarding institution. First, degree level is signified by the size of the hood with bachelors' smallest, masters' larger, and doctors' quite large and of a different shape. Clemson does not award hoods to bachelors. The width of the velvet trim also conveys the degree. Secondly, the degree is indicated by the color of the trim edging the hood to form the throat over the gown. The most frequently seen is dark blue, which designates the doctor of philosophy (Ph.D.) degree. Finally, the color of the hood's lining specifies the awarding institution. The colors are displayed in combinations that are drawn from heraldry. Notice that the Clemson University hood is lined with purple through which is an orange chevron (a "V"). Although many combinations are duplicated by dozens of institutions, Clemson is presently the only institution with that registered combination.

The officers, trustees, and honored guests wear academic, ecclesiastical, or military regalia as set forth by their professions. They are preceded by the University Marshal. Clad in a gown of office in gold and purple, the marshal wears no hood and bears the University mace. At the ceremony's close, the faculty do not exit as a part of the recessional but are dismissed, along with students and guests, when the marshal leaves the coliseum.

CANDIDATES FOR THE DOCTOR'S DEGREE

DEBRA BROADWELL JACKSON, Acting Dean, Graduate School

COLLEGE OF AGRICULTURE, FORESTRY AND LIFE SCIENCES

DOCTOR OF PHILOSOPHY

Animal Physiology

Rebecca Marie Bott _____ Sanford, FL
B.S., Wofford College
Dissertation: Thyroid and Ovarian Function in the Mare
Advisor: Dr. T. Gimenez

Maureen Lynne Savage _____ Simpsonville, SC
B.S., University of Connecticut; M.S., Clemson University
Dissertation: Characterization of the Immune Cell Monoclonal Antibody IA4
Advisor: Dr. T. R. Scott

Applied Economics

John McClarty Bright _____ Clemson, SC
B.A., Rhodes College; M.S., Clemson University
Dissertation: Investor Heterogeneity and Financial Market Efficiency: Evidence from Pari-mutuel Betting Markets
Advisor: Dr. R. D. Sauer

Frank Andrew Gamrat _____ Pittsburgh, PA
B.S., St. Vincent College
Dissertation: The Economics of Sport: An Application to the Auction Market for Thoroughbred Racehorses
Advisor: Dr. R. D. Sauer

Biochemistry

Guang Liu _____ Fujian, China
B.S., M.S., Xiamen University
Dissertation: Charaterization of the P¹, P⁴ Diadenosine c¹ Tetraphosphate Binding Domain on its Cardiac Receptor
Advisor: Dr. R. H. Hilderman

Environmental Toxicology

Marie Elizabeth DeLorenzo _____ Charleston, SC
B.S., M.S., Pennsylvania State University
Dissertation: Agricultural Pesticide Runoff in Tidal Creeks: Effects on Microbial Food Web Communities
Advisor: Dr. P. E. Ross

Dale Joseph Hoff _____ Hendricks, MN
B.S., Buena Vista College; M.S., Clemson University
Dissertation: Integrated Laboratory and Field Investigations Assessing Contaminate Risk to American Badgers (*Taxidea taxus*) on the Rocky Mountain Arsenal National Wildlife Refuge
Advisor: Dr. M. J. Hooper

Forest Resources

Jefferson Homer Mayo _____ Easley, SC
B.S., University of Florida; M.S., West Virginia University
Dissertation: An Economic Evaluation of Efforts to Slow the Spread of the Gypsy Moth
Advisor: Dr. T. J. Straka

Genetics

Angela Marie Brown _____ Greenwood, SC
B.S., Lander College
Dissertation: The Cloning and Characterization of the Smith-magenis Syndrome Critical Region
Advisor: Dr. R. E. Lilien

Zhen-Xiang Lu _____ Jiangsu, China
B.S., Nanjing Agricultural University; M.S., Jiangsu Academy of Agricultural Science
Dissertation: Genetic Study of Resistance to Root-knot Nematodes in Peach Rootstocks
Advisor: Dr. G. L. Reighard

Microbiology

Julia A. Nunemaker Eggert _____ Hutchinson, KS
B.S.N., University of Kansas; M.S.N., Wichita State University
Dissertation: DNA Repair in Women at High Risk for Breast Cancer
Advisor: Dr. L. L. Larcom

Priya Ratnam _____ Bangalore, India
B.S., Mount Carmel College
Dissertation: Partial Purification and Characterization of an Anti-acne Bacteriocin, Jensenii P.
Advisor: Dr. S. F. Barefoot

Zoology

Karen Leah McGlothlin _____ Kingsport, TN
B.S., M.S., East Tennessee State University
Dissertation: The Structure, Ultrastructure and Function of the Protonephridial System of Asplanchna Priddonta (Rotifera)
Advisor: Dr. E. E. Ruppert

COLLEGE OF BUSINESS AND PUBLIC AFFAIRS**DOCTOR OF PHILOSOPHY****Industrial Management**

Charles Roy Emery, Jr. _____ Grosse Pointe, MI
B.S., Michigan State University; M.S. University of Utah
Dissertation: The Effect of Work Group Structure, Leadership Style and Method of Compensation
Advisor: Dr. L. D. Fredendall

Lester Alphus Hudson, Jr. _____ Greenville, SC
B.A., Furman University; M.B.A., University of South Carolina
Dissertation: Capacity Decisions: Comprehensiveness and Decision Orientation
Advisor: Dr. C. H. St. John

COLLEGE OF ENGINEERING AND SCIENCE**DOCTOR OF PHILOSOPHY****Bioengineering**

Elizabeth Devereux Claassen _____ Fairfax, VA
B.S.E., Duke University; M.S., Clemson University
Dissertation: The Effect of Orthopaedic Alloys on Osteoblastic Expression of Osteocalcin
Advisor: Dr. S. P. Massia

Nikhil Saroj Trilokekar _____ Bombay, India
B.Sc., University of Bombay; M.S., Southern Illinois University-Edwardsville
Dissertation: Sulfonated-poly(lactide) as an Alternative to Polylactide: Synthesis, Characterization and Evaluation of
Physico-Chemical and Biological Interactions
Advisor: Dr. Y. Tian

Chemical Engineering

Allen Michael Beard _____ Hagerstown, MD
B.S., University of Maryland-College Park; M.S., Clemson University
Dissertation: High-Pressure Phase Equilibria and Thermodynamic Modeling for Selected Binary and Ternary Systems of
Light Paraffins and Aluminum Alkyls
Advisor: Dr. C. H. Barron

Franck Michel Dauché _____ Chalons en Champagne, France
B.S., Ecole National Sup Industry Chimiques; M.S., Clemson University
Dissertation: High Performance Carbon Fibers from Mesophases Produced by Supercritical Fluid Extraction
Advisor: Dr. M. C. Thies

Chemistry

Christopher Eastwood Bunker _____ Springfield, VA
B.S., Virginia Polytechnic Institute and State University
Dissertation: Spectroscopic Investigations of Novel Fluid Environments and Materials
Advisor: Dr. Y. P. Sun

Jeffrey Dale Childs _____ Duncan, OK
B.S., University of Oklahoma-Norman Campus
Dissertation: Transient Infrared Absorption Spectrum of Rb_6CO_{16}
Advisor: Dr. J. D. Beckerle

Tina Rose Harville _____ Danville, VA
B.S., Mary Washington College
Dissertation: Analytical Evaluation and Applications of a Radio-frequency Glow Discharge Source for Atomic Emission
Spectrometry
Advisor: Dr. R. K. Marcus

Shawn Russell White _____ Lancaster, PA
B.S., Shippensburg University of Pennsylvania
Dissertation: Intelligent Spectrometers and Calibration Schemes for Single-beam Instrumentation
Advisor: Dr. R. R. Williams

Chemistry (continued)

Yuancai Ye _____ Shandong, China
B.S., East China University of Metallurgy; M.S., University of Science and Technology-Beijing
Dissertation: Diagnostical Study of Glow Discharge by Langmuir, Current and Voltage Probes
Advisor: Dr. R. K. Marcus

Weiwen Ying _____ Guangzhou, China
B.S., Zhongshan University; M.S. Shanghai Institute of Organic Chemistry
Dissertation: Application of N-Fluoro Bis (trifluormethylsulfonyl) Lmide
Advisor: Dr. D. D. DesMarteau

Civil Engineering

Yunqiu Jia _____ Liaoning, China
B.S., Hohai University; M.S., Clemson University
Dissertation: The Effects of Roughness Element Spacing on Boundary Layer Velocity Profiles and Pressure Distributions on a Cube
Advisor: Dr. B. L. Sill

David Otway Prevatt _____ Port-of-Spain, Trinidad
B.S., M.Phil., University of West Indies; M.S., Clemson University
Dissertation: On the Behavior of Mechanically-Attached Single-Ply Roof Membrane Systems: Predicting the Full-Scale Behavior of Flexible Roof Cladding Using Wind Uplift Testing, Finite Element Analysis Methods and Fundamental Experimental Investigations
Advisor: Dr. S. D. Schiff

*Cum laude: A grade point ratio of 3.40 to 3.69

**Magna cum laude: A grade point ratio of 3.70 to 3.89

***Summa cum laude: A grade point ratio of 3.90 to 4.00

+Departmental Honors: The graduates so designated have completed an enriched program of study designed by their departments with the approval of the Calhoun College Honors Program. To earn Departmental Honors students must complete an honors thesis and/or other upper division honors courses, while maintaining an overall grade-point ratio of 3.40 or higher. Departmental Honors graduates appear in the line of march wearing the Calhoun College Honors Medallion on an orange and purple ribbon. This medallion is made possible by an endowment established by Mrs. Katherine Inabinet Vickery of Columbia, South Carolina, to honor the memory of her husband and Clemson graduate, the late B. C. Inabinet.

Students wearing the white stoles over their gowns are members of honorary societies that require a minimum 3.00 grade point ratio for membership. The stoles have the University seal embroidered on one side, and on the other side are the emblem(s) of honorary societies in which the student is a member.

The University Regalia

The University mace is the symbolic representation of the whole of Clemson University and must be present at any convocation where the University, through its delegated members, is acting officially. At any official convocation such as commencement, the University Marshal, carrying the mace, precedes the President into the assembly. The mace rests before the President's chair or speaker's stand throughout the ceremony, and its removal from the assembly at the close of a convocation is symbolic of the official withdrawal of the University and, thus, the close of the proceedings.

The decorative design of Clemson's mace is derived from the ceremonial maces carried by heads of state and church in the Middle Ages. Its basic clublike shape, however, is much more ancient, probably going back to man's prehistory. It is made of walnut wood and silver, with the seal of the University in gold and the University colors represented by insets of cornelian (orange) and amethyst (purple). Amethyst is also the state stone of South Carolina.

The Presidential chain and seal is symbolic of the authority vested in the office of president by the governing body of the University. Only the University President may wear it, and while wearing it he speaks for the whole body of the institution. Clemson's chain and seal are made of silver and gold, and cornelian and amethyst.

The batons of the college marshals also descend from medieval "staffs of office" which were carried by the senior members of departments of state or church. They display the seal of the University and the symbolic color of the discipline to which the college belongs. Clemson's batons are made of walnut wood and silver with the various disciplines inset with enamel.

The University regalia were designed and executed by Mr. Robert Ebendorf. Mr. Ebendorf is twice winner of the Tiffany Award and one of the most acclaimed goldsmiths of our era. The enamel plaques for the batons were executed by the late Professor Marshall C. Bell, and the lapidary work was executed by the late Mr. C. C. Wilson of Clemson University.

Historical Statement

Clemson University is named for Thomas Green Clemson (1807–1888), who left the bulk of his estate to the State of South Carolina for the founding of the institution.

Thomas Clemson was born in Philadelphia in 1807 and educated at the Royal School of Mines in Paris (1828–1832). His early profession was that of a mining engineer; however, circumstances diverted his interests into politics and the life of a southern planter, and he soon became an enthusiastic advocate of scientific agriculture. He had a career as a diplomat (charge d'affaires to Belgium, 1844–1852) and served as the first Superintendent of Agricultural Affairs in Washington (1860). As a scientist he published numerous articles in the fields of mining, chemistry and agriculture. His varied activities included his assistance in the founding of the Maryland Agricultural College, his support of the Morrill Act, his leadership in South Carolina after the Civil War, and his part in founding Clemson University.

Thomas Clemson was the son-in-law of South Carolina's John C. Calhoun, a political figure of national importance during the first half of the nineteenth century. Mr. Calhoun's home, Fort Hill, is preserved on the Clemson Campus as a national shrine.

The academic program at Clemson College began in 1893 with an enrollment of 446. The first "college prospectus" announced only two four-year curricula, supplemented by two two-year preparatory courses. Today the University has six major academic units. These are the College of Agriculture, Forestry and Life Sciences, the College of Architecture, Arts and Humanities, the College of Business and Public Affairs, the College of Engineering and Science, the College of Health, Education and Human Development, and the Graduate School.

The institution is an accredited member of the Southern Association of Colleges and Schools; various curricula are accredited by the Accreditation Board for Engineering and Technology, American Assembly of Collegiate Schools of Business, Computing Sciences Accreditation Board, Council on Accreditations of the National Recreation and Park Association, National Architectural Accrediting Board, National Association of State Directors of Teacher Education and Certification, National Council for Accreditation of Teacher Education, National League for Nursing, and Society of American Foresters.

Clemson is a land-grant institution. As such, it is engaged not only in its primary academic program, but does extensive research at the main campus and at five agricultural experiment stations located in the State. The University is also heavily committed to a varied program of public service, including the work of agricultural extension which has professional personnel located in each of the State's counties.

CLEMSON ALMA MATER

A. C. Corcoran, '19

Where the Blue Ridge yawns its greatness,
Where the Tigers play;

Here the sons of dear old Clemson
Reign supreme alway.

Chorus

Dear old Clemson, we will triumph
And with all our might,

That the Tiger's roar may echo
O'er the mountain height.

We will dream of great conquests,
For our past is grand,

And her sons have fought and conquered
Every foreign land.

Where the mountains smile in grandeur
O'er the hill and dale.

Here the Tiger lair is nestling
Swept by storm and gale.

We are brothers strong in manhood,
For we work and strive;

And our alma mater reigneth
Ever in our lives.

Note: Candidates appearing in this program are not certified graduates. Likewise, academic honors designations are based upon performance prior to final grades. Both certification of graduation and honors designations must come from the Registrar of the University.
